MOBILE AREA EDUCATION FOUNDATION

ArcelorMittal

Summer STEM Camp 4th-8th grades

Sponsored by, AM/NS Calvert ArcelorMittal / Nippon Steel

The **Mobile Area Education Foundation** is sponsoring a week-long summer day camp for current 4 through 8th grade students who attend the schools below. The camp will be located at Lott Middle School by certified teachers, with STEM teaching backgrounds.

During the camp, students will experience engineering type experiences through hands-on, creative investigations, designing and building real world products.. The goal of the camp is to show students what STEM is all about and to expose them to the fact that "STEM work" is all around them. The week culminates with an end-of-camp Showcase that parents and AM/NS partners are invited to attend.

Applications are available at participating schools: **Lott Middle**

Calcedeaver Elementary N. Mobile K-8 McDavid-Jones Elementary Chickasaw Schools
