AlertNow CONTACT INFORMATION/HEALTH SERVICES

AlertNow is the school district's family response system. This system is used to inform parents of school emergencies, school closures and non-emergency information. Please fill out the information below. The AlertNow Primary Phone and AlertNow Primary email will be used to transmit all information in the event of emergency and non-emergency messages. In case of emergency, all phone numbers and email's will receive the emergency message. The additional phone numbers will allow you to list additional numbers such as work, family members that may help pick up your children, or cell phone numbers.

If you have any questions on how to fill out the form, please contact your school office.

IMMUNIZATION REQUIREMENTS

In accordance with NRS chapters 392.435 to 392.488, all students in White Pine County School District must have a current immunization record on file in the school they are attending.

In order for a new student to enroll in White Pine County Schools he/she must submit the immunization card to the appropriate school personnel. The card is to be copied and the copy placed in the student's cumulative file.

Parents may decline to immunize their child if there are sufficient medical or religious reasons for not obtaining immunizations. Requests to decline immunizations must be submitted to the school board. The school nurse is to see that a list of those students with approved non-immunization status be prepared and readily accessible in the event that there is an outbreak of a communicable disease for which the student has not been immunized.

Requirements for immunizations are defined in the Nevada Revised Statutes and by the Nevada State Department of Health. A current copy of both documents is to be kept in the policy and procedure manual for reference.

BIRTH CERTIFICATE AND IMMUNIZATION RECORDS REQUESTED

Nevada Revised Statutes require every student entering White Pine County Schools from out-of-district to provide a birth certificate and immunization record to the school before they may attend classes.
