Needed! 41 students that want to work the polls on Election Day on June 5, 2018.

DeSoto County has 41 voting precincts throughout the county. Every precinct will have at least seven workers to run the poll. We would like for one of those workers to be a high school senior that is interested in the election process and their right to vote. The poll workers are generally chosen to work in the poll that they vote in. Each poll worker will be paid $125.00 for going to training and working the polls.

In order to qualify:

1. The senior must be 18 years old by the general election on November 6, 2018 and registered to vote. (To vote on the June 6th election you have to be registered to vote by May 6th.)
2. You will be required to attend a 3 hour training session in Hernando Gale Center on May 19th from 9-12. (we do have an alternate date if necessary)
3. You have to show up to work your designated poll by 6:00 A.M on June 5th and be prepared to help close the poll after the 7:00 P.M. voting deadline.
4. Write a short paragraph as to why you would like to be a part of this election process.
