Law Enforcement Luncheon

The Annual Law Enforcement Luncheon was held on January 9, 2020, at the Portage Area Elementary School. Students were visited by both State and Portage Borough Police Officers. Those in attendance include Trooper Myers, Trooper Lewis and Cpl. Matchik form the Pennsylvania State Police Department and Chief Miller and Officer Branick from the Portage Borough Police. During their visit the officers talked with students and answered any questions. The officers were treated to a delicious lunch that was provided by the elementary staff members as a way to thank them for their service.
