

Kindergarten Enrollment

April 24, 2018
4:00pm-6:00pm

Please help Hoover City Schools in spreading the word to parents whose oldest child is just entering kindergarten. Early kindergarten enrollment is very important as the school's administrators plan for next year. Kindergarten numbers prove critical in that they help schools staff accordingly for the upcoming school year.

Hoover City Schools district-wide enrollment date for 2018-2019 kindergarteners and new students is Tuesday, April 24, from 4:00 p.m. to 6:00 p.m. All Hoover City Schools elementary schools will be open that afternoon for families to enroll up and coming kindergarteners and students who will be new to Hoover City Schools for the fall.

A list of schools' addresses/phone numbers can be found on the Hoover City Schools webpage. To determine your school zoning for the upcoming school year, go to the Hoover City Schools Webpage

Documents Needed for Registration:

Current Lease Agreement or Recorded Deed

Current Utility Bill (water, power or gas)
