inc.®**

Girls Incorporated®  
of Central Alabama

## WHAT IS THE GIRLS ENGINEERING CONFERENCE?

- This is a free event for girls in 6th - 8th grade who like math and science and want to learn more about the dynamic field of engineering.
- Girls can expect an exciting day filled with activities and competitions that demonstrate how women engineers impact the world around us every day.
- Sessions will be available for parents to learn more about educational and personal development for their girls.

## HOW DO I SIGN UP?

Go to [www.girlsincentral-al.org](http://www.girlsincentral-al.org) or [www.icanengineer.com/pages/links](http://www.icanengineer.com/pages/links) to complete online registration and fill out a permission form. Space is limited.

**Registration begins  
February 6, 2017**
