Dear Parents and Guardians,

To ensure the safety of all children at GES, we are putting in place the following procedures for afternoon traffic. If your child is a bus rider or car rider and you would like to change their mode of transportation, we must receive written notification signed by the parent or guardian by noon daily. You may send the notification to school with your child or it can be emailed to one of the following people: Mrs. Wanda Corley, wcorley@pikecountyschools.com, Mrs. Shantell Rouse, srouse@pikecountyschools.com, or Ms. Amber Baggett, abaggett@pikecountyschools.com.

If an emergency occurs, you must speak with one of the administrators. If you have questions or concerns please contact an administrator. Thank you in advance for your cooperation.

Sincerely,

Mrs. Wanda Corley,
Principal
