

January 29, 2018

Dear Parents/Guardians:

Below is a helpful website from Children's of Birmingham that provides great advice and updates on resources for the flu virus. Please view this below information at:

<http://www.childrensal.org/cold-and-flu-updates-and-resources>

I inquired about us having another flu clinic in addition to the one we already had, but the health department stated they are not coming in the schools to offer any additional flu vaccines. The parents will need to take their child to their pediatrician or go to one of the outlying Mobile County Health Department clinics. Their outlying clinics that are located near Saraland:

Hours: 7:30am until 6:00pm

Eight Mile Clinic
4009 Saint Stephens Rd.
Eight Mile

Semmes Health Center
3810 Wulff Rd. East
Semmes

Citronelle Clinic
19250 North Mobile St.
Citronelle

North Mobile Center
950 East Coy Smith Hwy
Mount Vernon

Thank you,

Diana Collins MSN, RN
Supervisor of Health Services
Saraland City School System
