Ms. Stringer,

I had Ms. Moody put a parent survey link on our web page. It is listed as High School Parent Survey, right hand column about ½ way down. The link becomes inactive around the first week in December. Is that what you need or something else?

Dr. Finnigan,
Did you instigate the survey mentioned above? I need a link to the parent survey for the Standard 2. If not, do you know where it came from?

Questions/Concerns

Presentation used to inform parents of benefits and responsibilities of being classified as Title I School.

What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for...
 - Identifying students experiencing academic difficulties and providing timely assistance to help these students meet the State's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies
 - Conducting parental involvement meetings/trainings/activities
- Being a Title I school also means parental involvement and parents' rights.

What is the LEA Title I Plan?

- The LEA Title I Plan addresses how the LEA will use Title I funds throughout the school system. Topics include:
 - Student academic assessments
 - Additional assistance provided struggling students
 - Coordination and integration of federal funds and programs
 - School programs including migrant, pre-school, school choice, and supplemental educational services as applicable.
 - Parental Involvement Strategies, including the LEA Parental Involvement Plan
- You, as a Title I Parent, have a right to be involved in the development of the LEA Title I Plan

What is the 1% set-aside and how are parents involved?

- Any LEA with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of its Title I allocation for parental involvement.
- Of that 1%, 5% may be reserved at the LEA for system-wide initiatives related to parental involvement. The remaining 95% must be allocated to all Title I schools in the LEA. Therefore each Title I school receives its portion of the 95% to implement school-level parental involvement.
- You, as Title I parents, have the right to be involved in how this money is spent.

What is the LEA Parental Involvement Plan?

- This plan addresses how the LEA will implement the parental involvement requirements of the *No Child Left Behind Act of 2001*. It includes...
 - The LEA's expectations for parents
 - How the LEA will involve parents in decision-making
 - How the LEA will work to build the schools' and parents' capacity for strong parental involvement to improve student academic achievement
- You, as Title I parents, have the right to be involved in the development of this plan.

How is the evaluation of the
LEA Parental Involvement Plan
Conducted?

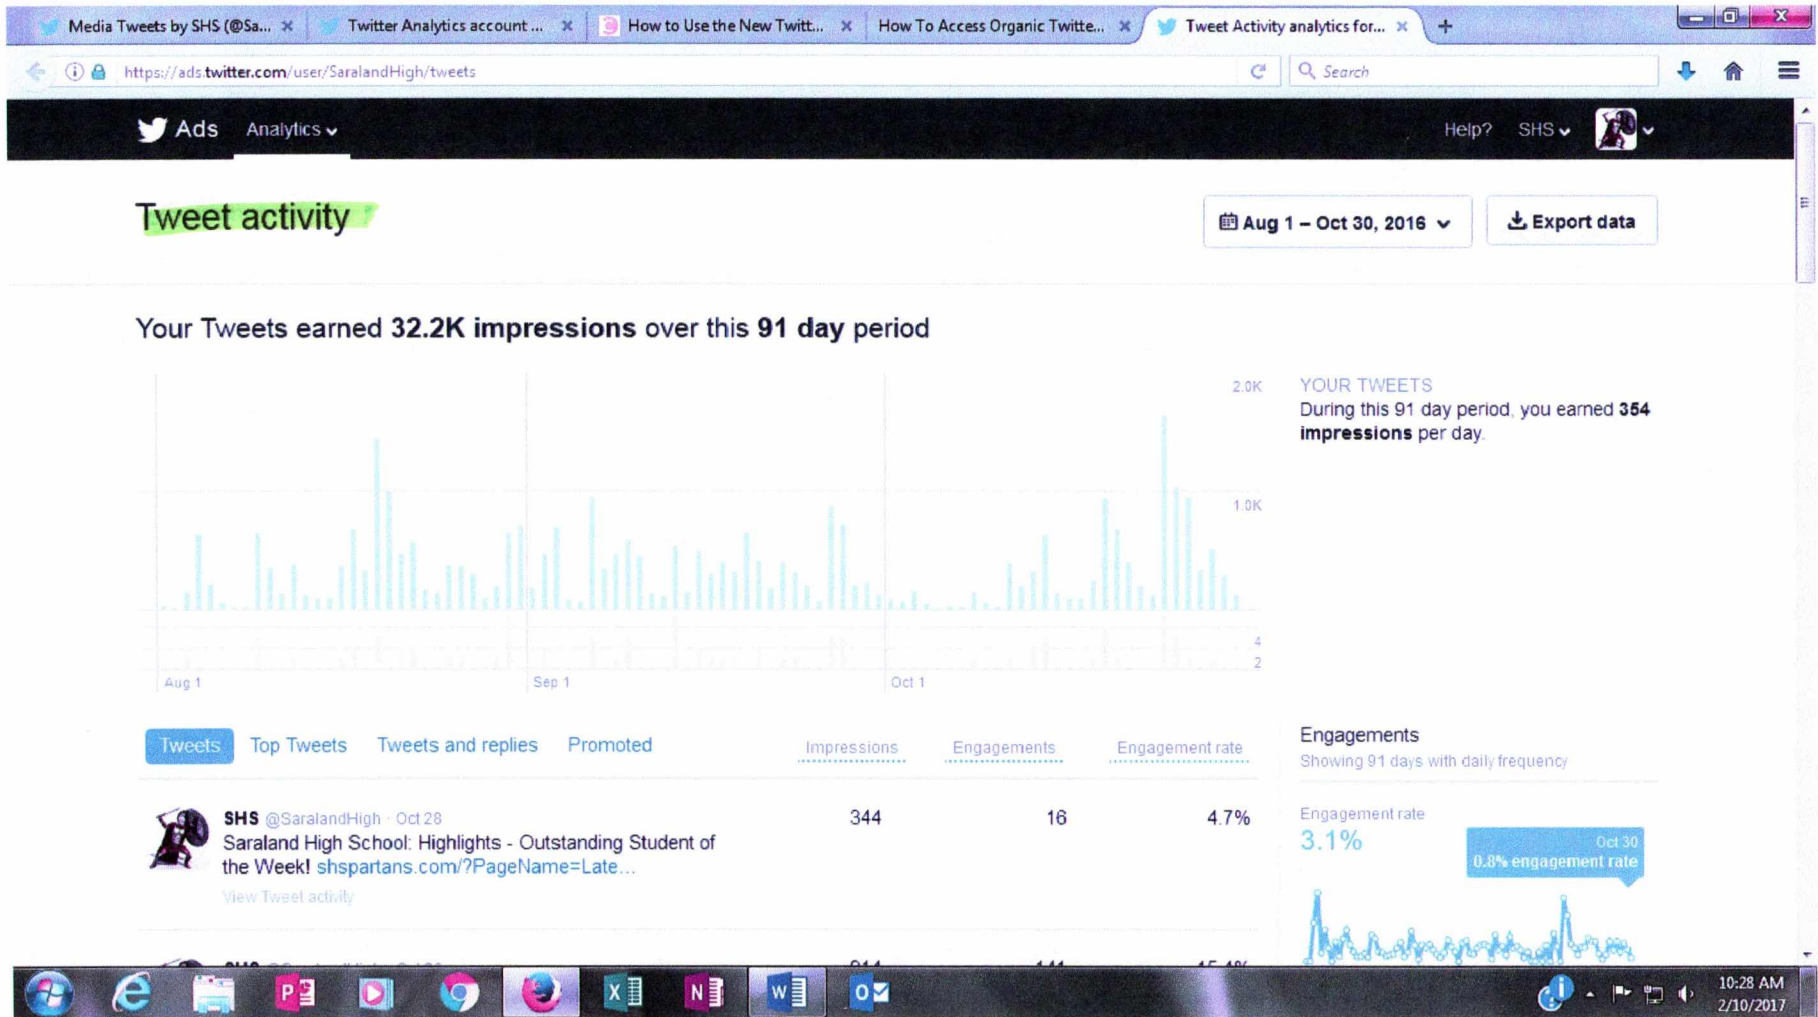

- Evaluation Requirements
 - Conduct annually
 - Conduct with Title I parents
 - Analyze Content and Effectiveness of the current plan
 - Identify Barriers to parental involvement
 - Data/Input may include...
 - Parent Survey (Required)
 - Focus Groups
 - Parent Advisory Committees
- Process and Timeline
- How the evaluation informs next year's plan
