Supporting Sylacauga City Schools .

. . . Brick by Brick

Faculty, Staff, Alumni, and Friends of Sylacauga City Schools have the opportunity to participate in the "Aggie Walk" Brick Campaign and impact the future of our schools and school children by purchasing individualized brick pavers of their choice. There will even be a limited supply of Sylacauga white marble pavers repurposed from the old north wing of the high school. The pavers will be placed in the sidewalk entrances of the renovated Legion Stadium.

The "Aggie Walk" will be a source of pride for all of Sylacauga and will serve as a lasting reminder that

"The direction in which education starts a man will determine his future life."
