Week #7

Ram Nation:

I enjoyed the opportunity to meet with the Sophomore class this week during Advisory to discuss graduation requirements as well as post-secondary opportunities.

MHS Homecoming Week begins on Monday, September 10th with a variety of activities planned. The dance has been moved from the multi-purpose room to the main gym on Saturday, September 15th to accommodate the outstanding response of ticket sales we have experienced. In an effort to protect the integrity of the gym floor, students will only be allowed to wear tennis shoes, flip flops or socks. Students will be able to check their dress shoes at the door.

I look forward to seeing everyone at one or more of the homecoming events next week!

Have a great weekend.
