

Dear Parents:

It has come to my attention that these supplies are a crucial part of the students' success in 6th grade. I would greatly appreciate if you'd make sure that your child is well-prepared with the appropriate tools when they come to class. It would help them build capacity for learning, organization, and responsibility if they start by having the right tools.

Thank You,  
6th Grade Teachers

### Recommended 6<sup>th</sup> Grade Supply List

\*To help your child be successful in all their classes...

- |                                      |   |
