

# Science CAPT Incentive (Pilot) for Class of 2016 and 2017

All juniors will be exempt from science **final exam(s)** in full year science courses if:

- ✓ They have scored a 4 or 5 on the CAPT science test and
- ✓ They have a B or higher average in their science class for the final marking period, and
- ✓ The final two marking period grades of the class average to a B or higher.

Students will be notified by the teacher of their exemption.

Academic Impact:

- ✓ Encourage student engagement on science CAPT
- ✓ Provide prescriptive data sets at mid year for all students
- ✓ Recognize and reward sustained intrinsic motivation
