

Be Heard or Be Muted!!

First grade students at Stewart Street Elementary participated in the democratic process on Tuesday, November 4, 2014. Kids rocked the vote for Florida's gubernatorial race between incumbent Governor Rick Scott and Democratic nominee Charlie Christ. After the votes were counted, Charlie Christ was prevailed as winner. Parents were encouraged to take students to the polls with them to exercise their vote as well. Thank you teachers and students for making your vote count!!!
