

Members of the LFO High School, Class of 2019, as we approach the last few months of your high school career there are several events planned to celebrate your achievements and enjoy your final moments together.

Please stay up to date with your counselor regarding college admission, transcript requests and meeting graduation requirements. Students must earn all required credits for graduation in order to participate in the Commencement (Graduation) Ceremony and there are no exceptions to this rule. Students who are failing required classes may not participate in senior events until they improve their grade to passing in the course. All outstanding fees must be paid before graduation practice begins.
