READ ALL ABOUT IT!

An exciting event is being planned for **Friday, May 24th**. We will be having a **“Dress for Success”** Day. Students will be encouraged to dress as they would for a career they would like to pursue...in other words, **“What Do You Want To Be When You Grow Up”!**...It can be an outfit or a logo of a business they want to work at. No inappropriate clothing, sayings or weapons (pretend items like for a police officer). Students will also be provided with information about career choices, different careers, and activities. Your participation in this event is truly appreciated. Thanks for helping your child see their FUTURE!!
