Parents ~ Teachers have collected all student iPads and cords/chargers loaned to your student this year. Chargers/cords and iPads will be inspected for damage at the time of collection. If there is any damage, you will receive notice of a compensation charge (\$20 for each piece) to be paid by your family as per the signed school/parent contract. Returned chargers/cords must be the same type that was given to you. It has to be the official Apple cord and charger; no other brand is accepted, no exceptions. iPads will also be inspected for damage. If any is noted, the appropriate charge will be sent to you and your student.
