A Note From The Principal:

Dear Parents/Guardians,

Last week, your child was given a sheet called a "Student Placement Profile". The purpose of the letter is to give you as a parent, the most important stakeholder in your child's education, a chance to give us feedback on your child's learning styles, strengths and areas for improvement. Although we do not take teacher requests, we value and honor your knowledge of your child and what he or she needs in education. This form will be used to aid in your child's placement for the next school year. The information you provide will give your child's teacher another perspective to consider during the placement process. Although we cannot promise that all of your wishes will be fulfilled, we are committed to a process that is fair and equitable to all children. We do not take the placement process lightly, and you have our promise that care and consideration will be used in each child's placement.

If you have any questions or concerns about the placement process, please feel free to contact me at kathy.martin@rsu4.org.

Your Partner in Education,

Mrs. Martin, Principal

Pre-K & K Screening:

Screenings for both pre-k and kindergarten students will be held on May 16th and 17th at Sabattus Primary for all pre-k sessions and kindergarten students. We will be screening all new Libby-Tozier students as well as Sabattus Primary's students at SPS. Please call the main office to schedule a screening appointment.

If you have any questions concerning registrations or need to update your contact information, please call:
