## **What's Happening?**

### ***A Note From The Principal:***

Dear Parents/Guardians,

The teachers met on January 23rd during the workshop day to do some professional development on various topics but they also got a chance to analyze the data that was collected during our universal benchmarking done this past month on all our students. It's a time to celebrate the growth of our/your students in both academic and social areas. It is also a time that we reflect on what opportunities we can improve upon to better meet the needs of your child. Ultimately, it starts with you. Please stay connected to your classroom teacher to see how your child's progressing, see what supports are in place for them, and how they are doing socially as well. By staying connected, you can reinforce those pieces at home, which makes learning a richer experience.

Your Partner in Education, Mrs. Martin, Principal

## Lost & Found:

Every day more and more articles of clothing, winter gear, and lunch boxes get misplaced on the bus, on the playgrounds and throughout our schools. If your child is missing an item of clothing or something else, please contact your classroom teacher to help look for the item or contact the main office so we can help in your search.

It is very helpful to label all your items with your child's name or initials because before items are put into lost and found, we check the labels.

## Registrations for Pre-K & K!
