From Mrs. Cook in the library

It's hard to believe the school year is winding down. Please have your student(s) return any library books as soon as possible so they can be shelved and inventory taken. St. Augustine students and staff checked out 9,477 items this school year! Thank you to all the parent and grandparent (and the cutest one year old) volunteers that helped keep things running smoothly. Hopefully you can visit the public library over the summer.
