

# Faith, Knowledge, Stewardship

“Everyone has something to give to society; no one is excluded from contributing to the good of all.”  
Pope Francis

## **Congratulations**

Congratulations Colin Tichvon, St. Augustine Class of 2013. Colin completed a Capstone Project, graduation requirement for high schools in our diocese. Of 130 seniors, Colin was among 10 finalists to present his project at the St. Thomas Aquinas Scholarship Presentation. Colin received the top award! God bless you!

## **Thank you!**

Thank you and congratulations to Mrs. Jaconette. Joan Jaconette has been with our school for three years. Joan moved on to a full-time position at the Diocesan Pastoral Center. We are grateful for all you have been to our students and wish you all the best.

Thank you for the behind the scenes work done by Molly Zygadlo this year. She has translated every Monday Mailing to Spanish and we are very grateful!

## **Quick reminders**

After school care payments are due today.

We are seeing more families use the front parking lot to park and walk students in each morning. For the safety of your student/s and the safety of those arriving via bus or drop-off lane, please use the back parking lot when walking your students in. Thank you.

We are hosting an Open House for interested families Thursday, 9-11am. Please invite any friends or relatives to come and tour our school. We would love to have them inquire, in hopes that they'll join our school family.

## **Coffee with the Principal**

You are invited to join the principal for coffee Wednesday, May 24, 8am in the teachers' lounge. Ms. Zommers would like to share the good work done by a committee of teachers this year. Our school's Code of Conduct has been revised to reflect our attention to becoming virtuous people. We are committed to partnering with our families to provide a healthy, happy and safe environment for our students. And going forward, our attention to behavior and communication with parents will be seen through the lens of the virtues. Come for coffee and an introduction to the revised Code of Conduct.

St. Augustine Cathedral School, in partnership with parents and the Catholic Church, welcomes and shapes young people as they grow in **faith, knowledge** and **stewardship**.
