

# Faith, Knowledge, Stewardship

Have no anxiety at all, but in everything, by prayer and petition, with thanksgiving, make your requests known to God. Then the peace of God that surpasses all understanding will guard your hearts and minds in Christ Jesus. Phil. 4:6-7

## Upgrading our lighting

You may have noticed the large trailer in front of our school. We are upgrading all of our lights to LED. Atlas Electrical secured a Consumers Energy rebate for the school and they have started the project, which should take about 3 weeks. Once all lighting is LED, we will see a savings in both the cost of our electric and our energy usage.

## Flute lessons

Give your new flute student a head start next fall in band! Summer lessons in beginning flute are being offered by JoAnn Carter Dunning, school parent and voice/flute teacher. Weekly lessons available at your home or mine. Please email [JoAnnSingsClassical@yahoo.com](mailto:JoAnnSingsClassical@yahoo.com) for more information.

## From Mrs. Cook in the library

It's hard to believe the school year is winding down. Please have your student(s) return any library books as soon as possible so they can be shelved and inventory taken. St. Augustine students and staff checked out 9,477 items this school year! Thank you to all the parent and grandparent (and the cutest one year old) volunteers that helped keep things running smoothly. Hopefully you can visit the public library over the summer.
