

Faith, Knowledge, Stewardship

Jesus, King of my heart, You were so kind to the little children who came to You. Be my strength as I try to do good to all those I meet today.

Following the example of Mary. This week we practice the virtue of affability, being easy to approach and easy to talk to - friendly.

Please join us

We offer parents two opportunities to hear "The Digital Culture of Kids". We hope that you'll join us for one of these presentations. This year we will also provide a space and time following the presentations for parents to discuss how you can work together, at the grade level, at the class level, to support each other in this digital culture.

This presentation is most important for parents of young children who have yet to start the conversations about technology and social media. Please consider attending and taking advantage of the time and space to talk. Parents may send their students to After School Care at no cost on November 2, if they attend the 3pm "Protect Young Eyes" session.

You can learn more about Protect Young Eyes by visiting their website, www.protectyouneyes.com, and by reading their blog, www.protectyouneyes.com/blog.

Please RSVP for the session you plan to attend.

November 2, 1st session, 3 – 4:30: <https://staugustineafternoon.eventbrite.com>

November 2, 2nd session, 6-7:30: <https://staugustineevening.eventbrite.com> .
