Dear Parents/Guardians of Seniors:

The following schedule of events is being provided to keep you informed through the remainder of the school year. There are many exciting activities/events that lead up to graduation. Hopefully your son/daughter will take advantage of and enjoy these events as they wind down their high school careers. It is extremely important to impress upon your son/daughter that completing the year strongly both academically and behaviorally is imperative. Many colleges/universities reserve the right to check a student's record through graduation.

Sincerely,
Thomas Calder
