And change so

We can keep the

Trophy!!!

Math Pop—

Emilio was playing a game with marbles.

In the first round, he lost $\frac{1}{2}$ of his marbles.

In the second round, he lost $\frac{1}{4}$ of his remaining marbles.

In the third round, he lost $\frac{1}{3}$ of his remaining marbles.

He gave one marble to his friend.

He had one marble left.

How many marbles did Emilio have when he started the game?

Answer is 8

BOBCAT TRACKS

You will receive a copy of our “Bobcat Tracks” newsletter each Monday. If school is not in session on Monday, then you will receive it on Tuesday.

A digital copy of the news letter is also on our website listed at the top of the front page.

There is a great deal of very important information in each newsletter so be sure to read it carefully each week.
