MS. CARLSON

Teacher of the year - 2018

Misa Carlson has been dedicated to the students of Manse for the last seventeen years. She is a Shining Star for our school and for the entire Nye County School District. Some of us have been fortunate to know her for all of those years. In that time, we have

seen the relationships she has built with her students, the work and the time she has invested in her students, and the academic rigor that has made her students excel and succeed in school. She is always available to assist in any way that is helpful for our school. Because we know her work ethic so well, we are convinced that she deserves this honor.

Students love her because she is kind, loving, fun, and cares about them. Misa gets to know every student in her class as a whole person. She is able to see exactly what each child brings to the community, and her whole teaching approach involves finding and using children's unique strengths to help them overcome their struggles and develop a positive self-concept. She is a great advocate for her students and their needs.

For many years you've devoted yourself to children, now you can look back with pride at all you've accomplished. We will all miss you!
Happy Retirement!

MEDICATION PICK UP ~ SLIPS WERE SENT HOME
Please be sure to stop by the health office and pick up any medication that you have brought in for your child this year. We do not send any medication home with your child on the bus. Any medication not picked up will be disposed of by the school district nurse on the last day of school, May 18,

2018. Also for those of you who have children with prescription medication, i.e., epi-pens, inhalers, etc., you must get new doctor's orders over the summer for the 2018-19 school year.

3rd Grade Reward

As a hard earned reward, Third Grade is having an End of the Year Celebration on May 14th here at Manse. Students will be playing several different types of Kagan games, along with Dodge Ball, Soccer, and Kick Ball. Those students attending will be provided with freshly grilled hamburgers or hot dog meal, cooked by our Watch Dog dads and other volunteers. Parents have been so kind as to donate watermelon, drinks, chips, and other goodies for the students.

All around the world!

In Mr. Linner's 5th grade class, students are finishing their reports on different countries. Each student had a checklist to follow. They also were asked to dress in their country's traditional clothing when they presented. They also cooked a native dish to share with all of us. The kids had a terrific time with this project.

Congratulations

to our Sock Hop Costume Winners.
