Reminder

Changes to pick up your student(s) must be made in person, in the office or a note with your signature and date sent with your child to school. This is for your student's safety. **Changes will not be accepted after 2:00 p.m.**

Drop off & Pick up

Please park in the parking lot if you need to go into the school or exit your vehicle for any reason. Only use the loading and unloading zones if students are able to walk to and from your vehicle. This will make drop offs and dismissals safe and efficient!

Smith's Card

Manse is registered as one of the schools that benefit from shopping at Smith's! Every time you shop and use your reward card at Smith's, Manse gets money donated. It cost nothing! All you have to do is register your Smith's card or log in at smithsfoodanddrug.com

Welcome to Manse

Mrs. Carle

Please join us in congratulating Mrs. Deborah Carle, who applied for and was accepted into the new Assistant Principal position shared between JG Johnson and Manse Elementary Schools. Debbie has been with Nye County School District for over 19 years. She taught special education at RCMS, then transferred to JG Johnson where she was a 1st grade teacher, literacy coach, and kindergarten teacher. She has spent the past 8 1/2 years as a district instructional coach with a variety of responsibilities, including testing, EL, and RBG3. Both Manse and JG Johnson are looking forward to working with Debbie in an administrative capacity. Her knowledge and experience will be a benefit to the staff and students at both schools.

WATCH D.O.G.S.

Dads of Great Students

Dads, we are looking forward to having you on our campus. There are just few more steps to make this possible.

- 1) Complete the Watch D.O.G. S. registration form
- 2) Complete the Volunteer Packet and return to the school (Make sure to attach a copy of your driver's license and SSN card)
- 3) Once the volunteer packet is processed you will receive an email or phone call from the volunteer office with your volunteer code
- 4) When you have your volunteer code, come to the school to sign-up on the Watch D.O.G.S calendar!!!

4th Grade Happenings

4th has been very busy. With testing season approaching, the students are reviewing previously learned skills and filling their brains with many new strategies for solving problems and comprehending text. Our math standards require the children to be able to use various modern algorithms to multiply single & double digit numbers. Fractions are a HUGE deal in 4th grade as well.

Students are using their Chrome Books to explore many academic programs our school has purchased. Mastery Connect assessments, ALEKS, Connect Ed., & Study Island are just a few innovative ways the children are incorporating technology into their studies.

We have also been working on our class science fair project. The students are being exposed to the Scientific Method/Inquiry. During Parent/Teacher Conferences, all of Manse's projects will be displayed for you to enjoy.

YOUNG AUTHORS CLUB

If you made a list of your favorite authors, who would be on it? My list would have to include the following: Aubrey Williams, Aurora Schmidt, Chloe Jones, Desmond Hutchings, Irving Shao, Isabel Sylvester, Jacob McLaughlin, Jeremy O'Neal, Jessie Rodriguez, Kayla Meza, Lawrence Minor, Levi Camp, Luis Calderon Gomez, McKenna Cunningham, Michael Keyes, Mika Yoffee, Molly Stoddard, Morgan Everett, and Sarah Prickitt. These are the amazing and gifted members of The Young Authors' Club.

Here are some thoughts about our club from its members: Mika shares, "It's a place where we can find and express our own unique voice."

"It is a fun place to learn and write," Sarah adds.

Isabel remarks, "The young authors are enjoying writing narratives."

"We can share our narratives with other authors," observes Jacob. From spine-chilling stories of some of their most fearful moments to laugh-out-loud tales of when they got in trouble, these young authors are writing pieces that are endearing and compelling to read. And the best is yet to come!

Each author will select one story to publish in our book this spring. After presenting some copies to the school library, we will launch our book with our very own Author Signing Party. Come celebrate with us as we share our stories with you!

BOX TOPS

Help our school earn money, by collecting box tops! Box Tops can be turned into Mrs. Toomer or your student's regular classroom teacher. All proceeds earned will equally go to support our staff and students.

Manse Recycling

If you would like to donate cans you can do so at any time. We have a collection bin located in the rear of the school by the bus loading area or on Wilson rd. across from the community church! You will see a sign on the north side of the street. Just toss the cans over and help our environment and school! All proceeds earned will equally go to support our staff and students.

SafeVoice is an online bullying reporting system used by Nye County School District. SafeVoice was created for you to anonymously submit a tip of concern about your safety or well-being of a friend or classmate around you. Speaking up ensures that your school campus remains an open and welcoming place.

Science Fair Projects!

Class science fair projects done at each grade level will be on display during parent teacher conferences on March 22nd. These projects will be used as models for next year's science projects done by the students. We hope you enjoy seeing what your children have learned and get excited about doing their own project next year!
