## ---REMINDER---

If your child is absent, a phone call, email or note is required. After 3 days, if the office does not hear from the parent/guardian, the child will be marked truant.

### CHANGES TO PICK UP STUDENT(S):

- NO changes can be made over the phone.
- Changes must be made in person or a note with your signature and date, sent with your child.
- If your child must be picked up early, please do so before 3:00.
- Once the end of day bell rings, students will NOT be pulled off the bus.

## Drop off & Pick up

Please park in the parking lot if you need to go into the school or exit your vehicle for any reason. Only use the loading and unloading zones if students are able to walk to and from your vehicle. This will make drop offs and dismissals safe and efficient!

## WELCOME TO MANSE

# Ms. Ehrheart

Hello Manse Families,

My name is Jennifer Ehrheart and am the Assistant Principal at Manse on Monday/Wednesday/Friday and RCMS Tuesday/Thursday. I have a background in teaching Child Psychology and directing Pre-K programs. I've been a Pre-K to College teacher and leader for 23 years.

My family cultivated my sense of adventure, moving from Illinois to Oregon with no particular destination or jobs when I was going into high school. My husband built on that courageous spirit by convincing me to move to Alaska, where we spent the majority of our time from 2002-2017.

In 2017, we decided we would like to eventually retire in Nevada and asked ourselves "why wait 10 more years to move to the sunshine?" Our Nevada journey began in July when I accepted the position of PVHS Principal. By October, we bought a house in Pahrump and planted our roots. We are enjoying the small town atmosphere coupled with easy access to the big city.

Thank you all so much for making me feel so welcome when I am outside greeting you before or after school. Your children have been wonderfully inquisitive about the "new person" and I look forward to getting to know the Manse family better.

## 3rd Grade Happenings

In third grade, we are very excited to welcome Miss DeKaye to our third grade team and send Mrs. Skelton lots of get well wishes. We had some AWESOME reindeer races before break as a STEM project. In Mystery Science we currently built bridges using just two pieces of paper in a couple of our classes to see how many pennies our bridges could hold. One of the bridges held 225 pennies and another held 168. We discussed how to improve our bridges using different design techniques. We are excited to implement more STEM projects within our classrooms so students can learn more through hands-on application through real life experiences. Check your classroom dojo stories for future updates on exciting projects in the classroom.

## Recycling Markers

This year Student Council would like to announce that we are working on a recycling markers project. This idea came to us from two third graders who came across their dead markers after seeing the article "Marker Magic" in a Scholastic News. In this article it says that the Crayola Company turn markers into fuel. Chloe and Kendra Lott decided that this was a great idea and told their teacher, Mrs. Jones, who passed along the information onto Student Council. Please send your dead markers to Manse Elementary. Thank you for your support and a special thanks to Chloe and Kendra!

### Donors Choose!

A hip-hip-hooray! to those of you who so generously donated to the Manse Music Donors Choose Projects. Both projects were fully-funded. We've already started using our Grand Stands, and Mrs. Tehuioota is already making plans for teaching piano-playing skills with our Roll-Up Digital Keyboards. We couldn't have done it without you!

SafeVoice is an online bullying reporting system used by Nye County School District. SafeVoice was created for you to anonymously submit a tip of concern about your safety or well-being of a friend or classmate around you. Speaking up ensures that your school campus remains an open and welcoming place.

## Let them Eat Bread!

Mr. Dispensa requested funding from Donorschoice.org, an organization where anyone can donate to a school project, for a project that allows kids to make bread at school. Kids get hands on experience using and interpreting fractions, but more importantly they get to eat the bread they made with their class. Currently 4th and 5th grade are participating. We are trying several different recipes and all kids will have an opportunity to bake bread.

## Yearbook

Don't let the memories pass you by! Yearbooks are still on sale for \$15!

You can use the envelope flyer that was sent home earlier this year or you can send your order in an envelope with the student's name and teacher's name on it with the money enclosed.

## Clothes!!

Have your kids grown out of clothes? We need gently used clothes for students! We take everything but underwear. Please bring any clothes donations into our health aide Robin Schmidt, our health aide. Call 775-727-5252 Ext 327 if you have any questions.

Thank you.
