---REMINDER---

If your child is absent, a phone call, email or note is required. After 3 days, if the office does not hear from the parent/guardian, the child will be marked truant.

CHANGES TO PICK UP STUDENT(S):

- NO changes can be made over the phone.
- Changes must be made in person or a note with your signature and date, sent with your child.
- If your child must be picked up early, please do so before 3:00.
- Once the end of day bell rings, students will NOT be pulled off the bus.

WELL DONE!

All of our SAFE Lego Club participants did an amazing job! We want to thank everyone who participated in creating masterpieces.

Congratulations to our Lego winners.

1st place - Adonay Rodriguez

2nd place - Olivia Veloz

Drop off & Pick up

Please park in the parking lot if you need to go into the school or exit your vehicle for any reason. Only use the loading and unloading zones if students are able to walk to and from your vehicle. This will make drop offs and dismissals safe and efficient!

Smith's Card

Manse is registered as one of the schools that benefit from shopping at Smith's! Every time you shop and use your reward card at Smith's, Manse gets money donated. It cost nothing! All you have to do is register your Smith's card or log in at smithsfoodanddrug.com

Manse Is a Shining Star School for the

SECOND time in a row!

A Shining Star School is a high-performing school serving a high percentage of students in poverty. High-performing is defined as earning an index score that is expected to align with a 4 or 5-Star Rating on the Nevada School Performance Framework. We are very proud to announce that for the second time in a row, The Nevada Department Of Education has recognized Manse as a 4 star school for the second year in a row. Way to go Manse Hawks!!

Greetings from the Music Room at Manse!

I'm so excited for a new school year and new opportunities that lie before us.

I want to let you know about 2 projects that I have listed on DonorsChoose.org, projects that will benefit our school's music program.

One project will allow your students to learn to play a keyboard. That project is called "Tickling The Ivories." The other project will help students read music more easily. Instead of laying the papers flat on the floor, short music stands will allow them to see the music in a better position, to create greater success. That project is called "We All Need A Little Support Sometimes." If you feel you would like to donate towards either, or both projects, please go to: <https://www.donorschoose.org/Manse.Music>

Even the smallest donation will help these projects get funded! Thanks you for your support.

SafeVoice is an online bullying reporting system used by Nye County School District. SafeVoice was created for you to anonymously submit a tip of concern about your safety or well-being of a friend or classmate around you. Speaking up ensures that your school campus remains an open and welcoming place.

FIRST GRADE HAPPENINGS

First grade is off to an awesome start! In Language Arts we have been real busy writing stories and remembering our capital and ending marks. In Reading we have been using a new Phonics program that helps us become better readers and writers. The Phonics program is called Jolly Phonics. The students learn their sounds through music and actions. We have also been working hard on finding key details from a story. In math we have been learning counting, addition and number stories. In Science and Social Studies we have been learning about all kinds of interesting topics such as plants and animals. We are looking forward to our Fall Party, which will be on October 31st.

First Grade teachers would like to thank all of the parents for the wonderful support you have given us.
