### \*\*\*\*Reminder\*\*\*\*

Changes to pick up your student(s) must be made in person, in the office or a note with your signature and date sent with your child to school. We WILL NOT make changes over the phone. This is for your student's safety. Changes will not be accepted after 2:00 p.m. Once the bell has rang we CAN NOT pull your student off the bus. You will have to meet your student(s) at the bus stop. Visitor passes are required for anyone who visits our school. To obtain a visitor pass, you must sign in at the office. Student's will be marked truant when the office does not receive a letter, phone call, or email from the parent/guardian within 3 days of an absence. An absence can be a partial or full day of school. Any questions please contact our registrar Amanda Cardinal. [acardinal@nyeschools.org](mailto:acardinal@nyeschools.org) (775)727-5252 ext 320

### Drop off & Pick up

Please park in the parking lot if you need to go into the school or exit your vehicle for any reason. Only use the loading and unloading zones if students are able to walk to and from your vehicle. This will make drop offs and dismissals safe and efficient!

### Smith's Card

Manse is registered as one of the schools that benefit from shopping at Smith's! Every time you shop and use your reward card at Smith's, Manse gets money donated. It cost nothing! All you have to do is register your Smith's card or log in at [smithsfoodanddrug.com](http://smithsfoodanddrug.com)

### Upcoming Events:

- 9/3 - Labor Day (No school)
- 9/25 - Student of the month
- 9/27 - Treat Day
- 9/28 - Teacher development day. (No School)

# THANK YOU!

As of Tuesday September 4th, parents and guardians of Kindergarten through 5th grade students were asked to not walk students to classrooms and to only walk students to the front doors of the school. This change was made to increase school safety and preserve instructional time. We also asked that changes in dismissal plans were done in person at the beginning of the school day or in writing to your student's teacher, because we cannot interrupt the learning day to deliver messages. It has been an easy transition and we appreciate every single Manse Parent for being patient and flexible as we continue to ensure the safety of students!!

## Manse Hawk Shout Outs!!

To: Mrs. Floyd  
From: Lucas  
"Mrs. Floyd is a great teacher and she does fun stuff."

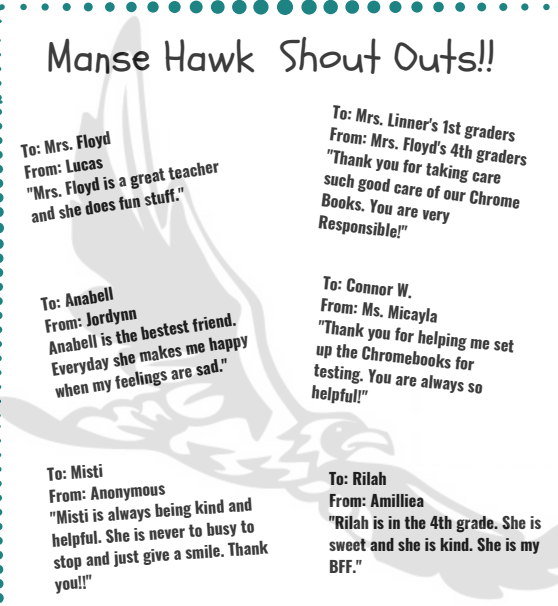

To: Mrs. Linner's 1st graders  
From: Mrs. Floyd's 4th graders  
"Thank you for taking care such good care of our Chrome Books. You are very Responsible!"

To: Anabell  
From: Jordynn  
Anabell is the bestest friend. Everyday she makes me happy when my feelings are sad."

To: Connor W.  
From: Ms. Micayla  
"Thank you for helping me set up the Chromebooks for testing. You are always so helpful!"

To: Misti  
From: Anonymous  
"Misti is always being kind and helpful. She is never to busy to stop and just give a smile. Thank you!!"

To: Rilah  
From: Amilliea  
"Rilah is in the 4th grade. She is sweet and she is kind. She is my BFF."

## SAFE Before & AFTER SCHOOL PROGRAM

The SAFE before and after school program will be starting September 10th. There will be a morning session from 7:25 to 8:55. The afternoon session will run from 3:10 to 5:25.

Sign up sheets were sent home with students the first week of school. There is no cost for your student(s) to attend. All parents are encouraged to apply! There will be NO transportation. If you did not receive a form, additional forms are available in the office. For more information please contact Manse's SAFE program coordinator Micayla Ortiz by email or phone. [mortiz@nyeschools.org](mailto:mortiz@nyeschools.org) (775) 549-6130

If your student has a medical condition or needs medication at school please contact our Health Aide Mrs. Schmidt. PLEASE do not send medication to school in students backpacks. (775) 727-5252 ext 37

We ask that all returning parents use the parent portal to update their information. It is crucial for the safety of your child that we have the most current phone number and address on file and an emergency contact. You can find the portal at [nye.infinitecampus.org/campus/portal/nye.jsp](http://nye.infinitecampus.org/campus/portal/nye.jsp) In order to obtain your Activation Key please call (775) 727- 5252 Ext. 320

Thank you to those families that came and supported us during movie night!

SafeVoice is an online bullying reporting system used by Nye County School District. SafeVoice was created for you to anonymously submit a tip of concern about your safety or well-being of a friend or classmate around you. Speaking up ensures that your school campus remains an open and welcoming place. <http://www.safevoiceenv.org/>

High Achievement Within a Kind,  
Safe, Responsible and respectful environment.

## Manse Shirts!

T-Shirts may be purchased in the Library for \$10 each. Sizes are available from Child Small to Child XL, Adult Small-Adult XL. Don't forget that every Friday is Spirit day! Wear teal to show your school Spirit!

## KINDERS are AMAZING!

Kinder students are learning how to log themselves into their computers. This is a difficult task. Teachers will be sending home their login and password. We would greatly appreciate your assistance in helping your students practice logging on. The faster they log on, the more time they can spend on educational programs.

## 2nd grade happenings!

Second grade is heading into a great new school year. We have two new teachers joining our team and school. Miss Frazier joins us from Wyoming, while Miss Feltes comes to us from Illinois. Both teachers are excited, energetic, and full of smiles for an exciting year.

Second grade is our "last" learning to read grade. Students will take what they have learned to explore their love for reading. We, as a whole grade, will continue to teach those fundamental reading practices. As teachers, we ask that students and parents/guardians reading daily, have conversations, and encounter new and exciting places and/or people. This will help your child be grounded in many reading skills.

As for math, we are working on the fundamentals for the first couple of months. At this time of the year students should know simple math facts to 20, place value to 100, and comparing numbers. All these skills are simple to practice during the evening when sharing about their day at school, or having conversations during dinner.

We look forward to a successful year with our students. It is an exciting time when students learn to apply what they have learned.
