Reminder

Changes to pick up your student(s) must be made in person, in the office or a note with your signature and date sent with your child to school. This is for your student's safety. Changes will not be accepted after 2:00 p.m.

Drop off & Pick up

Please park in the parking lot if you need to go into the school or exit your vehicle for any reason. Only use the loading and unloading zones if students are able to walk to and from your vehicle. This will make drop offs and dismissals safe and efficient!

Smith's Card

Manse is registered as one of the schools that benefit from shopping at Smith's! Every time you shop and use your reward card at Smith's, Manse gets money donated. It cost nothing! All you have to do is register your Smith's card or log in at smithsfoodanddrug.com

Braids, Bow-Ties and Books

Our school is excited to announce a new service! This will be a safe place for students to come in and get their hair done in a braid, or spiked up with gel, while reading a book out loud. Their hair will be done by school staff or the students themselves. Students will be able to participate in this experience for free during their lunch or recess time. This unique opportunity will help students build their self-confidence and increase their reading abilities.

Manse Recycling

If you would like to donate cans you can do so at any time. We have a collection bin located in the rear of the school by the bus loading area or on Wilson rd. across from the community church! You will see a sign on the north side of the street. Just toss the cans over and help our environment and school!

Box Tops

Help our school earn money, by collecting box tops!

Box Tops can be turned into Mrs. Toomer or your student's regular classroom teacher.

Sprigeo is an online bullying reporting system used by Nye County School District. Bullying can be reported at any time by using the website below.

Pre-K Happenings

Pre-K is here to stay and we love being a part of the Manse Hawks Family. Like building a house, we spent the first few weeks of school on our foundational skills, exploring classroom centers, practicing self-help skills and learning to listen and follow directions. Many of our routines are supported with chants and songs that develop phonemic awareness and other literacy skills that lead to reading.

Little learners know school routines are key to success:

****BE SAFE** on the playground and in the classroom.

****BE RESPONSIBLE** while exploring learning centers, becoming a cleanup expert and handling backpacks, red communication folders and lunchboxes or trays.

****BE RESPECTFUL** by taking turns, polite and encouraging while communicating with kind words with teachers and friends.

Our first Unit of Study, BALLS, will wrap up on the 12th with a celebration for Pre-K families. Learning activities that compare and contrast the size of balls, count and tally mark our favorites or which roll and bounce the highest along with reading books that teach us about different balls, their use, if they are solid or filled with air and how force and velocity move balls. Next, we will roll into a unit on PETS.

In Everyday Math, we've introduced and played games that teach about shapes, counting, recognizing numbers, positional words and sorting. Throughout our day we review concepts and activities through play and exploration. Snack time even leads to learning as we sort our yummys, eat what we have the most or least of first and then shout out when our stomachs are full and we have zero items left on our plates.

Pre-K is a special place where little things mean a lot! Breeze down into our halls and checkout the wonderful drawings and dictated stories that are on display. Thanks to our school staff and families for their ongoing support!

MANSE HAWKS ARE SAFE, RESPONSIBLE & RESPECTFUL.
