****Must sign up to
attend****

*Parents on Board is a parenting course that will help you
break down the barriers and help your child succeed.
In this course you will:*

*Learn how to support academics
Learn to relate to school personnel as equal partners - not
the intimidating authority figures of the past
Learn that your encouragement is absolutely vital to
your children's school success
Meet and forge friendships with other parents*

For Parents
of 4 to 14
Year Olds
