## \*\*Attendance\*\*

Students are at risk of being marked truant when a call or written note from a parent/ legal guardian is not presented to the school within three (3) days of an absence. The definition of an absence includes: a partial or full day absent from school. These types of absences can all be marked truant if contact from the parent/legal guardian is not made within the allowed time limit. If you are taking your child out of school for a trip, you need to fill out the pre-arranged absence forms and return them to the office at **least 2 days before** the trip or the absences are unexcused. These forms may be picked up in the office or printed off from our school website.

## Principal's Corner

Dear Parents/Guardians,

I can't believe that it is already the last full week of April!  
With 4 weeks left in the year, there is still plenty of time to make sure that work is being done and grades are brought up! We want our students to end the year on a high note!

Enjoy the rest of your week,

Mr. Moore
