BOND ISSUE

by Cherokee Minter

The bond issue that passed was for \$8.8 million. It will provide a building with 34 thousand square feet. The current high school will be torn down so that we will have room for the new school. We will also be changing the parking lot to a different spot and we will have a loop for the buses. There will be a safe room, a new Ag shop and room, a new practice gym that will also act as an auditorium, many new class rooms, and new bathrooms. Tri-Arc will be the architect. In addition, the current gymnasium will be air conditioned. Students, faculty, staff, and patrons are all excited about the new school and are anxious for the construction to begin!

Katie Davis

by Zeb Hawkins

Katie Davis is now a senior at Kremlin-Hillsdale High School. During the Spring Concert of 2014 back in May Katie participated in a competition to gain the title Miss KHS. In this contest senior girls that participate must perform a talent. Katie sang “How Great Thou Art” to win the audience over, and was crowned Miss KHS.

Katie is known throughout the whole community for her not only her athleticism but also for her amazing voice. This comes to no surprise that her singing is beginning to attract notice. She submitted pieces to Enid *Dream Night Talent Search*. For weeks now fans have been voting for their favorite artist online at TalentWatch.net. Forty contestants will move on from there. On October 17th all forty remaining artist will work one on one with coaches. The forty will be narrowed down to twenty who get to perform live at Enid Expo Event Center the next day, in front of a panel of judges. The winner of this live show will be award \$1,000, a recording contracting, which consist of a six track EP, and a private audition for *America’s Got Talent*. Katie placed SECOND!

It’s no a secret that Katie is passionate about sports, playing softball, basketball, and track. Well, this year Katie was awarded the Cherokee Strip softball All-Conference MVP. We are very proud of Katie for working hard to help not only her team but her school.

KHS Academic Bowl team starts season

Academic team coach Roger Gossen has announced the Varsity team for 2014-15 year. Jacob Pekrul (captain) and Hayden Bonine are back for their senior season. Juniors Jordan Presley and Connor Snapp are also returning players. Sophomore Zeb Hawkins and freshman Josh Reimer round out the Varsity team. Sophomores Briley Craig, Paul Courtney, and Emily Felber are on the junior varsity. Josh Reimer is captain of the freshman team and will be joined on that team by Cody Bower, Ian Franklin, Alice Keithly, and Riley Jung.

The team started with the Skeltur Conference Tournament at Cimarron on Saturday, Oct. 4. Other competitions in October include the District Seeding Tournament (vs Cimarron and Covington) at KHS on Oct. 13, Skeltur Conference triads at Garber on Oct. 20 (vs Garber and Pond Creek) and Oct. 23 (vs Drummond, Cimarron, and Dover). The third triad (vs Covington, Pioneer, and Waukomis) will be November 10 at Covington. The KHS Invitational, a 24-team tournament, will be held November 8. Teams from as far away as Caney Valley (near Bartlesville) and Plainview (near Ardmore) will compete. KHS will also host the Regional tournament for Class A schools on November 15. This includes Waynoka, Taloga, Freedom, Timberlake, Aline-Cleo, Burlington, Cimarron, Covington, DCLA, Pond Creek-Hunter, Medford, and KHS. The top four teams will advance to the Area tournament in January, also hosted by KHS.

Junior high and elementary teams will be selected later this fall for competition in the Oklahoma Junior Academic Bowl Association (OJABA) in the spring. KHS will have 5th/6th, 6th/7th, 7th/8th, and 8th/9th teams in OJABA. Roger Gossen is team coach for all teams. KHS will host a 7th/8th District tournament, a 6th/7th Regional tournament, and an 8th/9th Regional tournament. The 5th/6th grade team will start off competition before Christmas. Other OJABA teams will start in January with Regionals in February and State to follow in April.

KHS has won two HS, five JH, and one elementary State championships under Gossen.

Broncs take Second in Skeltur Conference Tournament

KHS competed in the round-robin Skeltur Conference Tournament at Lahoma on Saturday, Oct. 4. KHS competed without starter Hayden Bonine; captain Jacob Pekrul had been involved in a traffic accident two days prior to the event; and Jordan Presley and Connor Snapp had arrived home from the Turpin-KHS football game around 3:30 that morning. So with so many things against them, the Broncs still did well and managed to beat Dover, Cimarron (sudden victory), Pioneer, Covington, Garber, Pond Creek, and Waukomis, losing only to champion Drummond. Pioneer was third and Cimarron fourth. Jordan Presley was named to the All Star team as one of the to four scorers in the tournament.

Broncs split in District Seeding

KHS defeated Covington but lost to Cimarron in the District Seeding round-robin tournament held at KHS on Oct. 13. Cimarron also defeated Covington to take the top seed from our district into Regionals, which will be held at KHS on Nov. 15.

Broncs take two at Garber in Skeltur Triad

KHS defeated Pond Creek-Hunter and Garber (in sudden victory) at Garber on Monday, Oct. 20, in the first of three Skeltur Conference triads. The Broncs led the whole way over the Panthers, but had to come from 70 points down in third quarter to tie Garber and force the overtime period. Hayden Bonine got a question about Mohammad Ali to claim the victory.

KHS will appear on Mind Games again this year!

KHS will again make an appearance on the KSBI-TV game show *Mind Games* this fall. They will tape the show on October 27, but will not appear on the air until later in November. I asked Mr. Coles if he liked teaching here at Kremlin-Hillsdale High School and he said "I love Kremlin; I think it's a great place to teach." He also says that he enjoys the classes he teaches. If not all of you know Mr. Coles teaches History. This is his 7th year of teaching. Last year he taught at Bridge Creek and before that he spent 5 years teaching at Carney. He said Kremlin reminds him of Carney-- it's a small town full of good people. I would say he hopes to teach here for a long time. I'm sure I'm not the only one who would like to see him here for a long time. Many of his students would too.

Seventh grade news

by Bradie Gray

The KHS 7th grade class has been busy this first semester. Between sports, homecoming, and everything else, a lot has happened. All of the sports, football and cross-country, have gone well so far for this class, so we have some good talent in this class.

Football has gone very well for JH compared to last year. This year, 7th grade football team members Dalton McAlister, Bradie Gray, Miguel Rodriguez, David Schrader, Kody Thornton, and Gavin McKee have a football record of 5-2. A lot better than the previous JH record.

Cross-country has gone very good as well. Boys' C-C members Tyler Machia, Donnie Bell, Elijah Espinoza, Dalton McAlister, and Tristin Lockhart have gotten at least 2nd place overall at every meet that they've gone to. Girls C-C member Kenna Lam hasn't placed yet though she says that she tries her best.

Finally, the 7th grade homecoming float – the class did the Disney theme of The Lion King sporting the motto of “Hakuna-Matata! Let's beat the Chiefs!” They got 2nd place overall in the JH float contest.

Seventh grade has done a lot so far, but remember, we're only a quarter of the way through the school year and a lot more is bound to happen!

Eighth grade news

by Morgan Miller

Welcome back students! We're having a great year so far. Our first nine weeks are almost over already and that means tests! Sports are doing great. Softball season ended undefeated, cross country had their last meet on October 11th, and football is coming close to an end with four wins and two losses so far. Basketball season is finally starting and junior high girls are practicing hard.

Eighth grade officers have been elected with Bradley Machia as the president, Brandon Woodruff as vice president, Morgan Miller as reporter, and Daylan Dulinski as stucco. Eighth grade had a great homecoming with Disney as the theme, our class decided to do tangled as our float.

Good luck with the rest of the year, and good luck on the tests!

Freshman class news

by Alice Keithly

The 9th graders are embarking on a very busy first year of high school. Filled with football, basketball, band, cross country, track, and softball this year is sure to be eventful.

Homecoming week was very eventful from dress up days, picture day, and working on the homecoming float. The theme this year was “Chiefs can't fine their victory” from finding Nemo and they didn't know

Kremlin won. The 9th grade band members have been working very hard on field marching. They have had their first marching competition on October 7th. The songs were played are- *Phantom of the Opera*, *Les Miserable*, *Music Man*, *Lonely Goat Heard*, *Summertime*, and *Oklahoma*. Any Kremlin fan is encouraged to come and watch the Pride of KHS march.

This year promises to be an eventful one for the 9th grade class, but an interesting one at the same time.

Tenth grade news

THE BRONC Staff

The students in Mr. Gossen's Study Skills class are in charge of producing this year's version of **THE BRONC**. They are: William Dunlap, Emily Felber, Zeb Hawkins, Chase Minter, Cherokee Minter, Nicole Morse, Josh Streck, and Kaity Woods.

Elementary Principal

by Zeb Hawkins

Brad Hawkins is the Elementary Principal. This is his third year at Kremlin. He coaches softball, basketball, and occasionally baseball. Besides being the elementary principal, he teaches multiple classes, including World History, Political Science, and athletics, of course.

This year the elementary has introduced many new qualities in and outside of the classrooms. One such as the Essential “35” consisting of 35 central rules to help the students’ progress. Some are even listed on the walls of the elementary main building. Examples of these Essentials are show appreciation, congratulate classmates, make eye contact, and complete homework daily.

Something new this year also is Bronc Bucks. These particular bucks could win you special lunch with the principal. The Bucks are given out to students who show kindness and acts of generosity to other people.

To encourage reading in general Mrs. Schultz, the librarian, has given out 19 dog tags to students who complete summer reading. Dibles testing are also occurring in the elementary to help with student’s reading skills.

A big announcement is Red & White Fridays, which is on Fridays of each week the students are encouraged to wear school colors. The class with the highest percentage at the end of the semester wins a prize.

These new additions to the elementary are fantastic and helping the student not only show respect but school pride as well. Mr. Hawkins is excited for this coming year.

Life’s Common Core

by Kristin van Ogtrop

(adapted from TIME Magazine, Sept. 29, 2014)

I am proposing my own set of Common Core standards for teenagers. These will not help your children get into college, but they will help them become better people.

Hello, Class of 2015! Congratulations – you’re almost there! And your parents are so proud of you! Although not as proud as they will be once high school is over and you’re out of their hair, what with your eye rolling, unpredictable comings and goings and constant requests for small personal checks. There’s just one little thing. You need to be able to do the following in order to get your diploma:

1. Write a letter. An actual letter that is written, in handwriting, on real paper.
2. Learn to cook a good meal that can feed the entire family.
3. Hold down an unpleasant job that makes you hate your parents a little bit because they won’t let you quit.
4. Go somewhere for the weekend without your phone, just so you know what it feels like to be in solitary confinement, or dying.
5. Every time you get a new toy or gadget, give an old toy or gadget away to someone who doesn’t get new things as often as you do.
6. Take care of someone or something other than yourself. A pet does nicely here.
7. Write a heartfelt thank you note to someone over the age of 70. Even if this person hasn’t given you a holiday or birthday present, find something to thank them for.
8. Read a book for pleasure.
9. Do something nice for a neighbor without expecting any credit for it.
10. Don’t race to the top. Never race to the top. If you want to aim for the top, good for you. But try to get there slowly, deliberately, without knocking everyone else out of the way. Or missing the beautiful view.

Editor’s note: Now that’s a list worth working on!

The See You at the Pole Story

by Chase Minter

A small group of teenagers in Burleson, Texas, came together for a Disciple Now weekend in early 1990. They came seeking God and little did they know how powerfully He was about to move. On Saturday night their hearts were penetrated like never before, when they became broken before God and burdened for their friends. Compelled to pray, they drove to three different schools that night. Not knowing exactly what to do, they went to the school flagpoles and prayed for their friends, schools, and leaders. Those students had no idea how God would use their obedience.

God used what He did among those teenagers and others who were holding similar prayer meetings at their schools to birth a vision in the hearts of youth leaders across Texas. The vision was that students throughout Texas would follow these examples and meet at their school flagpoles to pray simultaneously. The challenge was named "See You at the Pole" at a brainstorming session during a meeting of key youth leaders. The vision was shared with 20,000 students in June 1990 at Reunion Arena in Dallas, Texas.

Only God had envisioned how many students would stop up to the challenge. At 7:00 a.m. on September 12, 1990, more than 45,000 teenagers met at school flagpoles in four different states to pray before the start of schools. Reports came into toll-free number for days after the first event.

A few months later, a group of youth ministers from all over the country gathered together for a national conference in Colorado. Many of them reported that their students had heard about the prayer movement in Texas and were equally burdened for their schools. No other events had been planned, but it was clear that students across the country would be creating their own national day of school prayer. There was no stopping them.

On September 11, 1991, at 7:00 a.m., an estimated one million students gathered at school flagpoles all over the country. From Boston, Massachusetts, to Los Angeles, California, from North Dakota to the tip of Texas, students came together to pray. Some sang, some read Scripture, but most importantly, they prayed. Like those first students, they prayed for their schools, for their friends, for their leaders, and for their country.

As in all great movements of prayer, See You at the Pole did not begin in the hearts of people. It began in the heart of God. God used the obedience of a small group of teenagers to ignite what has become an international movement of prayer among young people.

Since 1991, See You at the Pole has grown to God-sized proportions. Within the first few years, the movement began to spread to others nations through missionaries from the U.S. Now each year, more than 3 million students from all over the world participate in See You at the Pole. Students in more than 20 countries take part. In places like Canada, Korea, Japan, Turkey, and the Ivory Coast, students are responding to God and taking seriously the challenge to pray.

God is continuing to call His people to repentance and prayer. Countless inspiring testimonies of how He has used See You at the Pole to bring students to Christ and to change lives affirm God's power to answer those who cry out to Him in humble dependence. Bible clubs, weekly prayer meetings, and other ministers have begun on campuses where students participated in See You at the Pole.

Thirteen students and two adults participated at KHS on Wednesday, September 24, at 7:30 a.m. at our local See You At the Pole event. Thanks to Hillsdale Bible Church for providing donuts and juice for the participants after the event.
