Relay Recess Scheduled for May 25

Hempfield Elementary is participating in the American Cancer Society's awareness and fundraising event Relay Recess on Friday, May 25, 2018. Modeled after the Relay for Life fundraising program, students will have the opportunity to take part in fun activities that reinforce healthy lifestyle habits and cancer awareness while raising money for the fight against cancer.

In preparation for the event, students will decorate one paper bag luminaria during STEAM class. Similar to Relay for Life events, Relay Recess participants remember loved ones lost to cancer and honor those battling the disease by dedicating luminaria. Each paper bag luminaria is decorated and lit in memory or honor of a loved one or friend during our Relay Recess event. You will also be invited to attend our community Relay for Life on July 14, 2018, at Riverside Park to witness the power of the Luminaria Ceremony at 9:30 PM and see your child's luminaria on display.
