Dual Enrollment through PACE

(Program for Accelerated College Enrollment)

HORRY GEORGETOWN TECHNICAL COLLEGE

PACE Program For Accelerated College Enrollment

Through the Program for Accelerated College Enrollment (PACE) at Horry Georgetown Technical College, eligible high school juniors and seniors can satisfy high school graduation requirements AND earn college credit at the same time, getting an early start on a college degree! High school students may earn college/university credit as PACE students through online courses, through requested courses taught on the high school campus, or through courses taught on an HGTC campus. PACE university/courses are transferable to all South Carolina two- and four-year colleges and universities, as well as many private and out of state colleges. Students are encouraged to contact the college to which they intend to transfer to confirm course transferability and be advised concerning appropriate course selections for their major.

The Advantages of PACE Dual Enrollment

PACE Dual Enrollment classes offered through HGTC helps students to:

- ***Earn credits NOW that apply to high school AND college degree requirements;***
- ***Reduce the course load during the college freshman and sophomore years, improving students' ability to meet and maintain the "B" average required to keep scholarships such as LIFE;***
- ***Provide a pathway to smooth the transition from high school to the academic demands of college;***
- ***Boost high school GPA/Class Rank;***
- ***Lottery Tuition Assistance is NOT based on financial need. LTA does NOT affect LIFE, Palmetto, or other scholarships which begin after high school graduation.***
- ***Improve SAT scores; and***
- ***Reduce overall college cost significantly.***

Dual Credit through TAP (Technical Advanced Placement)

Students interested in careers in technology and business can maximize their opportunities through TAP, the Technical Advanced Placement program. TAP is designed to provide transfer credit to HGTC for specific courses taken while still in high school or credit for technology courses taken by high school students on a HGTC campus. The HGTC on-campus classes are typically provided at NO COST to participating high school students if the course is not available at the student's high school. Interested students should contact their high school guidance counselors.

For More Information & Admission Requirements
