CARVERS BAY MIDDLE SCHOOL

A TITLE I SCHOOL

A Note From Your Principal:

This school year has started off with excitement! After the Labor Day break, our 6th graders received Chromebooks to carry around with them all day at school to help teachers integrate technology more effectively! Soon, the 7th graders will receive their Chromebooks, and the 8th graders will have more access to the Dell laptops already in our inventory. The teachers and students are adapting well to this new initiative, and we are all learning together!

We had a great turn out at the 6th Grade Orientation, Open House, Grandparents' Day, and the Family Literacy Night! We are thrilled when parents and family visit our school and become involved with the education of their children!

Please make sure you are having conversations with your children about their progress. Encourage your children to work hard and learn from their mistakes. If you have any questions or concerns, please contact teachers to address these issues as soon as possible. Communication is the key to helping our students succeed! Report cards will be going out the end of October.

Finally, we thank all of you for the opportunity to work with your children! We are looking forward to a year of positive outcomes!

Mrs. Comeletia Pyatt, Principal

Mr. Howard Parnell, Band/Music
Mr. Matthew Richard, PE

GUIDANCE CORNER

Mrs. Gabrielle Chandler, Guidance Counselor

Guidance Corner

Getting off to a Good Start-

There's no better time to set goals for yourself than at the beginning of the new school year. Setting academic goals will give you something to work towards in your classes. Think about what grade you want to get in each class and write it down. While you're at it, write down any other goals you have- like turning in every assignment.

Reading Tips

- *Create a quiet, special place for your child to read
- *Help your child see that reading is important
- *Visit public and school libraries
- *Encourage your child to read for 15 minutes everyday
- *Emphasize the importance of reading as a lifelong habit and practice, practice, PRACTICE!!

SEPTEMBER:
First Tee Character Word

HONESTY

TO LIVE A LIFE OF TRUTH AND DIGNITY
