- April 2-6

A TITLE I SCHOOL

A Note From Your Principal:

As we near the end of the third nine weeks, please take some time to talk to your children about their grades and classes. Report Cards will go out after Spring Break, but it is important that conversations are started now with your children and their teachers if there is a problem. Our teachers are always willing to talk to parents in a conference, via email, or on the phone, and input from parents is greatly appreciated. It takes all of us to work together to help our children be successful.

We are looking forward to Spring Break, and eager to get back so that we can get in the right mindset for testing! Have a safe and enjoyable Spring Break!

Educationally yours,

Mrs. Comeletia Pyatt, Principal

TEACHER OF THE YEAR

MRS. NORINE FRAISER

CONGRATULATIONS!
2018-2019

Math Curriculum Night

The Math Department sponsored Math Curriculum Night on March 15. Parents and students participated in games of Kahoot to test their math skills. There was also jars filled with candy for participants to use their estimation skills in order to win the prize inside the jars! Thank you to the Math Department for this fun, interactive experience for parents and students!
