

Georgetown High School Booster Club 2018-2019

Membership Enrollment Form

Welcome to the 2018–2019 school year. There have been many changes and we are excited as we move into another sports school year. The Georgetown High School Booster Club is proud to be able to support our schools athletic programs through membership, fundraising and community resources.

Thank you to those that have given their support year after year to the athletic programs at Georgetown High School. Our community is a tight knit community, and as we go through trials such as the floods we survived this year—we find that our

strength, love and outpouring of community support are untouchable, you just can't get much better than what we have here in Georgetown. But to even further that thought—we have a great community that realizes the value of depositing their resources into our student athletes. These student athletes will, after all, be our future leaders of this community one day.

We plan to work diligently this year to do everything within our capabilities to produce positive support and outcomes for the sports teams in our school. Would

you consider joining to do the same? There are benefits to joining the Booster Club that far exceed what you see. The many needs for the teams—such as equipment, meals, uniforms, etc. We work to aide and assist the teams with their needs. Please consider partnering with the Booster Club to support the needs of our student athletes and future community leaders!!

Sincerely,
Jessica Sasser,
Booster Club President
