School Improvement Ideas - None

Principal's Report

*Title I - There is a lot of information concerning that. Mr Dukes explained the Title I money Gallman receives and how it is broken down. He wanted to reach out to the SIC for ideas on different community outreach ideas or other thoughts on how some of the funds can be used. Some ideas discussed were block party ideas, language immersion ideas.

*Parent/School compacts were issued at conferences/with report cards. We talked about how this compact is making parents aware that we are a Title I school.

*School Summary Report - Every year, the SIC submits a summary report to the State Department of Education. The council reviewed some notes and brainstormed school highlights that will be part of the school report card which will be sent to all stakeholders

*Parent conferences are rescheduled for Feb. 1.

Announcements/Upcoming School Events
