Graduation Information & Expectations

Mid-Carolina High School will hold its graduation ceremony on **Wednesday, June 5, at 7:00 p.m.** in the Mid-Carolina High School gymnasium. As seating is limited, each senior will receive six (6) tickets for family/friends to attend the ceremony in the gym. Seniors will also receive three (3) tickets for family/friends to view the ceremony from the overflow area in the cafeteria. (Due to fire marshal regulations a ticket will be required for each person.)

Graduation is an important event in the lives of our young people. In order to ensure that each student has a moment to remember without it being spoiled by others, the administration will implement guidelines to present an orderly and dignified graduation ceremony.

Please be aware of the following guidelines:

- All doors will be locked at 6:45 p.m. If your family arrives after that, they will not be allowed to enter the gym.
- Security will be handled by school staff and uniformed police officers.
- Unsolicited applause, catcalls, whistles, cowbells, sirens, or any other form of noise or noisemakers during the ceremony is inappropriate and will not be tolerated. *Spectators who engage in such behavior will be asked to leave the ceremony.*
- Spectators may take pictures and/or videos from their seats but should not hinder the sight of other spectators.

Everyone attending the graduation ceremony is expected to adhere to these guidelines. Thank you in advance for making this ceremony the best it can be for the Class of 2019.

Underclassmen report cards will be mailed the week of **June 10**. If your student owes a school fee, their report card will be held in the office. Report cards cannot be released if fees are owed for any state owned textbook(s). You may contact the school bookkeeper, Jennifer Long, regarding fees at (803) 364-2134.

A Proud Past. A Promising Future.

Our mission: To engage students in educational experiences that ensure success and life-long learning.

Our vision is of a culture where all ideas are valued; a cooperative relationship exists between the school, the district, and the community; collaboration is expected; and people want to work and students want to learn.

FROM 6 TO 6000

As I write this I'm on my way to Nashville to speak at Avon's annual meeting of 6,000 people.

Please know I'm not sharing the number 6,000 to brag. I share it because the reason why I was selected as the speaker was because I did a workshop 8 years ago for 6 people.

The workshop was held at the Spa at Woodloch in the Pocono Mountains. Woodloch and I both promoted the event. We expected at least 100 people to attend but a whopping 6 people showed up.

I remember being a little disappointed that only a few people were there but I didn't let the low turnout deter me. I gave every ounce of energy to those 6 people and it turns out the current president of social selling for Avon, who was with another company at the time, was one of those people.

I had long forgot about that workshop until we received a call from Avon about 7 months ago in-

viting me to speak and telling me why they selected me. The president remembered my workshop and still utilized some of the principles I shared.

I couldn't believe it. My desire to make a difference in the lives of 6 people eight years ago turned into an opportunity to impact the lives of 6,000.

I've learned that when we are faithful in the small things we will be given more opportunities to do bigger things.

Yes we all want to be on the big stage, appear on the big tv show, work on the big account, make the big sale and get the big job right now. But big opportunities and responsibilities come from doing the small things with a big dose of pas-

sion, love, purpose and excellence.

I want to encourage you to be faithful with what you have and where you are today. Don't worry about your greatness in the future. Just be great today.

Don't chase success. Decide to get better every day, do great work and success will find you.

Make a difference in the lives of the people in front of you. Don't look past them to see your destination. Realize the people in front of you are the ones who will lead you to your destination.

Be like The Seed. Plant yourself where you are and from humble beginnings you will grow to greater heights.

-Jon Gordon

So often you find that the students you're trying to **INSPIRE** are the ones that end up inspiring you.
