

Summer 2017

# WHITMIRE COMMUNITY SCHOOL

....Wolverines Committed to Success

### Mission

Whitmire Community School, while providing a safe and nurturing environment and collaborating with families and the community, will prepare all of our students through academics, the arts, athletics, and extra-curricular experiences to be productive, responsible, global citizens who engage in lifelong learning.

### Vision

Whitmire Community School envisions a school where the education and well-being of children are the priorities of all citizens in our town and county.

Furthermore, we envision a school where the rights of children are protected, where there is a shared passion for learning, where children are expected to achieve at their highest levels, and where our children are prepared to function successfully in an increasingly global society.

Our school will be inviting. Our families and communities will be collaborators. Our educators will be highly qualified. Our facilities will be designed, built, and equipped for the delivery of
