From the West TN STEM Hub

The Jazzii A. Foundation *After the Bell* STEM Program

Attention all Crockett County Middle School Students! Are you interested in how things work? Fascinated by science and technology? Amazed by feats of engineering? Then join us in a new after school STEM program for Crockett County students!

The **Jazzii A. Foundation** through a partnership with the West TN STEM Hub will launch an after-school STEM Club at Crockett County Middle School beginning in January 2017! Sessions will be led by undergraduate STEM majors and will include exciting hands-on STEM challenges that bring science, technology, engineering, and math concepts to life and expand your understanding of STEM applications that make our world a better place.

Program Details:

- TUES/THURS FROM 3:00-5:00 PM AT CROCKETT COUNTY MIDDLE SCHOOL
- LIMITED BUS TRANSPORTATION WILL BE AVAILABLE
- TO APPLY, COMPLETE THE APPLICATION FORM AVAILABLE IN THE CCMS OFFICE. PROGRAM WILL BEGIN FEBRUARY 7 AND CONCLUDE MAY 18, 2017.
