

What is Tech Goes Home?

- Receive **15 hours of web-based training** designed to help you access the powerful resources on the Internet
- Help accessing **discounted high-speed Internet** for qualified participants
- The option to buy a **brand new Chromebook laptop for \$50!**

Tech Goes Home CHA strives to ensure that all residents of Chattanooga and the greater Hamilton County area are equipped with the tools, training, and access to support 21st century skills development.

The Tech Goes Home CHA program offers residents the ability to improve their quality of life as new members of the online community.

If you would like to participate in the Tech Goes Home CHA program, please request an application from this location.
