

MCHS Semester Test Information and Schedule

Students may be exempt from their final exams (excluding EOC tests) if they meet the following requirements:

- The student must have maintained a 75 average or higher in the class.
- The student must not have accumulated more than 3 excused or unexcused absences, excluding college visits and field trips (3 unexcused tardies = 1 absence) for the class period during the current semester.
- The Parent/Guardian must sign the Exam Exemption Application Form to give permission.

A student (exempt from a test) may choose to take the test without penalty of lowering their grade.

Exams will only be administered during the scheduled time.

Student attendance will be taken through Monday, December 17.

Students who have completed all exams for the day may be dismissed provided they turn in a note from their parent/guardian into their 1st period teacher. The note must have a parent/guardian phone number for verification of the note. If leaving early, a separate parent note must be provided for each day. Students are to follow the exam schedule and remain in their scheduled class for the duration of the testing time. Students must have a golden exit ticket (provided by 1st period teacher) prior to leaving campus.
