

Maplewood Families,

We wanted to inform you that the PTA purchased a new software, MySchoolAnywhere, to help manage membership, directory information and volunteer opportunities. This software has a self-portal webpage, app, online directory, and can push messages about events and volunteer opportunities. The goals are to make it easier to gather family information and reach you all with important opportunities. **Be expecting an email invite to update your family information early August.** But in the meantime, check their website out at <https://www.myschoolanywhere.com/> and if you would like to volunteer on the Maplewood Tech Team, please contact Stephanie Perrone at maplewoodtechteam@gmail.com.

Familias de Maplewood:

Queremos informarles que PTA (Asociación de padres y maestros) ha comprado un nuevo sistema de software MySchoolAnywhere (Mi escuela en cualquier lugar). Este programa ayudará a manejar membresías, información del directorio y oportunidades para voluntariado. Este nuevo software tiene una página web con un portal de autoservicio, una aplicación para teléfonos, directorio en línea y puede mandar notificaciones sobre eventos y oportunidades para voluntarios. Los objetivos son hacer que sea más fácil reunir información familiar y llegar a todos con importantes oportunidades.

Se les estará mandando una invitación por correo electrónico para actualizar su información familiar a principios de Agosto. Mientras tanto, puede revisar su sitio

Web <https://www.myschoolanywhere.com/>

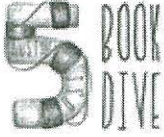

Y si le gustaría ser voluntario en el equipo de Maplewood Tech, por favor comuníquese con Stephanie Perrone al correo electrónico

maplewoodtechteam@gmail.com
