- December 5th
Progress Reports
go out.
- December 20th
End of 3rd Six
Weeks
- Dec. 21st-Jan. 7th
Student Christmas
Break!!

December is upon us. Seniors, I hope by this time you have completed the Applied Texas application and are getting your acceptance letters from the colleges. Please bring a copy of your acceptance letter and scholarship offers to the counselor's office. If you have not yet taken the TSI, ACT or SAT, time is running out. Also, there are some scholarships already available. Please check the scholarship bin in front of the counselor's office.

Juniors should also start considering taking the TSI, ACT and/or SAT soon. If you are planning on taking dual credit classes then you will need to take the TSI test and pass. If you take the test early then you will have more time to re-take it if necessary.

Students and Parents, the fall semester will end December 20, 2018. We will be in the process of running new GPA & Class ranking reports. These updates will be available some time around mid February. This is important to the seniors as they process college and scholarship applications. We will be giving them a copy of their new transcript during 2nd semester.

The Counseling Office would like to wish everyone a Merry Christmas and a Happy New Year. May you enjoy your days off with family and friends and have a blessed holiday season.

Sherri Brown-Counselor

Make good choices...

**HAVE A SAFE AND
HAPPY HOLIDAY!!!**
