We have successfully completed the first semester on December 20, 2018. It has been full of excitement and learning. New GPA & class ranking reports should be calculated around the middle of February. All students will be receiving a copy of their new transcript during the second semester.

Seniors please bring copies of acceptance letters and scholarship award letters to the counselor's office. We will be posting your college of choice on the walls in the hall. If you have not done so yet, it is very important to have logged on to the FAFSA website (www.fafsa.ed.gov) to get your pin numbers and begin the process for financial aid.

Dual credit classes will resume on January 14, 2019. Juniors need to be enrolling in ACT/SAT/TSI test this semester. Sophomores and Freshman need to sign up and take the TSI test at Del Mar if you plan to take dual credit classes next year.

Please contact counselor's office if you have any questions.
