Seniors please make sure you are working on your college resumes and essays. If you need help or have any questions please stop by the Counselor's office. Also, please turn in any acceptance letters and scholarships as you receive them. Don't forget to register and take the ACT or SAT and TSI tests as soon as possible. Scholarships will request for your scores. These scores will be needed for college applications as well as scholarship applications.

Senior parents need to be aware that Apply Texas college applications can be submitted on-line at this time at **applytexas.org**. It is recommended that your son/daughter submit their application prior to the Thanksgiving holidays. If they want to apply for freshman scholarships, they must be accepted into the college of their choice prior to the university's deadline. FAFSA is open to begin your financial applications for college at **www.fafsa.ed.gov**.
