

Dress Code Policy

Saraland High School

Our Students Dress for Success!

The Importance of an Effective Dress Code Policy

Our professional educators and staff understand the effect that clothing and grooming can have on student behavior and a commitment to learning. We also know parents play a vital role in helping students have a successful school experience, which includes making appropriate choices when it comes to clothing, accessories and personal appearance.

In order to maintain an atmosphere conducive to learning, the Saraland City Schools expect all students to follow the policy and make smart choices about personal appearance.

Students should avoid attire that seriously distracts from the learning environment, is considered to be disruptive or could present a health or safety problem.

To our Parents and Students

Thank you for working with us to ensure a safe and secure educational environment that is free from distractions based on grooming and clothing issues. If you have any questions about specific items of clothing and whether they are appropriate for school wear, please contact your school administrator for assistance.
